

The annual Epic! Short Story Competition is organised by the charity The Footpath Library.

Epic! Short Story Competition provides an awesome opportunity for students to exercise their creative selves, have their work read by top Australian authors, and win cool prizes.

Entry is voluntary, free and open to Australian primary and secondary students. To take part, students need to submit an original 300 word story (or two!) on the theme of 'Friendship' before 30 September 2016.
