#### Notes to the financial statements

# 1) Statement of significant accounting policies

The directors' have prepared the financial statements on the basis that The Footpath Library Ltd (herein "Footpath Library") is a non-reporting entity because there are no users dependent on a general purpose financial report. The financial report is therefore a special purpose financial report that has been prepared in order to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012*.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations and the disclosure requirements of AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors and AASB 1054 Australian Additional Disclosures.

Footpath Library is a company limited by guarantee, incorporated and domiciled in Australia. Footpath Library is a not-for-profit entity for the purpose of preparing financial statements under Australian Accounting Standards.

The financial statements are presented in Australian Dollars.

### **Basis of preparation**

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The directors have determined that the accounting policies described below, which are consistent with those of previous periods unless otherwise stated, are appropriate to meet the needs of members.

Footpath Library is incorporated under the *Corporations Act 2001* as a company limited by guarantee. If Footpath Library is wound up, the constitution states that each member is required to contribute a maximum of \$10 each towards meeting any outstanding obligations of Footpath Library.

### Going concern

The financial report has been prepared on a going concern basis. This basis presumes that funds will be available to finance future operations and that the realisation of assets and liabilities will occur in the normal course of business.

Footpath Library has made a net surplus of \$26,250 for the year ended 31 December 2018. As at 31 December 2018 the entity had net asset surplus of \$79,667.

These conditions give rise to a material uncertainty over Footpath Library's ability to continue as a going concern.

The directors of the Footpath Library are of the opinion that the going concern basis remains appropriate after considering the following mitigating factors:

- 1) Footpath Library has significantly scaled back operations to reduce recurring expense;
- 2) Footpath Library at 31 December 2018 held \$65,806 in cash at bank and term deposits.

# **Accounting policies**
