The Footpath Library Limited

Notes to the financial statements

For the Period Ended 31 December 2019

1) Statement of significant accounting policies

The directors' have prepared the financial statements on the basis that The Footpath Library Ltd (herein "The Footpath Library") is a non-reporting entity because there are no users dependent on a general purpose financial report. The financial report is therefore a special purpose financial report that has been prepared in order to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012*.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations and the disclosure requirements of AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors and AASB 1054 Australian Additional Disclosures.

The Footpath Library is a company limited by guarantee, incorporated and domiciled in Australia. The Footpath Library is a not-for-profit entity for the purpose of preparing financial statements under Australian Accounting Standards.

The financial statements are presented in Australian Dollars. The amounts presented in the financial statements have been rounded to the nearest dollar.

Basis of preparation

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The directors have determined that the accounting policies described below, which are consistent with those of previous periods unless otherwise stated, are appropriate to meet the needs of members.

The Footpath Library is incorporated under the *Corporations Act 2001* as a company limited by guarantee. If The Footpath Library is wound up, the constitution states that each member is required to contribute a maximum of \$10 each towards meeting any outstanding obligations of The Footpath Library.

Accounting policies

The significant accounting policies that have been used in the preparation of these financial statements are summarised below:

a) Revenue

The Footpath Library receives contributions of goods and services as charitable gifts in kind. These goods and services are not included in the financial statements.

The Footpath Library has applied AASB 15: Revenue from Contracts with Customers (AASB 15) and AASB 1058: Income of Not-for-Profit Entities (AASB 1058) using the cumulative effective method of initially applying AASB 15 and AASB 1058 as an adjustment to the opening balance of equity at 1 January 2019. Therefore, the comparative information has not been restated and continues to be presented under AASB 118: Revenue and AASB 1004: Contributions. The details of accounting policies under AASB 118 and AASB 1004 are disclosed separately since they are different from those under AASB 15 and AASB 1058..

In the current year

The Footpath Library receives assets from the government and other parties for nil or nominal consideration in order to further its objectives. These assets are recognised in accordance with the recognition requirements of other applicable accounting standards (for example AASB 9, AASB 16, AASB 116 and AASB 138.)

On initial recognition of an asset, The Footpath Library recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer).

The Footpath Library recognises income immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

When The Footpath Library received operating grant revenue, donations or bequests, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance with AASB 15.

When both these conditions are satisfied, The Footpath Library:

- identifies each performance obligation relating to the grant
- recognises a contract liability for its obligations under the agreement
- recognises revenue as it satisfies its performance obligations.

Where the contract is not enforceable or does not have sufficiently specific performance obligations, The Footpath Library:

- recognises the asset received in accordance with the recognition requirements of other applicable accounting standards (for example AASB 9, AASB 16, AASB 116 and AASB 138);
- recognises related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer); and
- recognises income immediately in profit or loss as the difference between the initial carrying amount of the asset and the related amount.

If a contract liability is recognised as a related amount above, The Footpath Library recognises income in profit or loss when or as it satisfies its obligations under the contract.

Interest Income

Interest income is recognised using the effective interest method.

In the comparative period

Donations and bequests are recognised as revenue when received.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customer.

b) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

c) Property, Plant and Equipment

Plant and Equipment

Plant and equipment are measured on the cost basis less depreciation and any impairment losses.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

In the event the carrying amount of plant and equipment is greater than the recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount.

Depreciation

The depreciable amount of all fixed assets including buildings and capitalised lease assets, but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to The Footpath Library commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Plant and equipment	5–15%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained surplus.

d) GST

The Footpath Library is not registered for GST.

Revenue, expenses and assets are recognised gross of the amount of GST.

e) Income Tax

No provision for income tax has been raised as The Footpath Library is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997.

f) Critical Accounting Estimates and Judgments

There are no critical accounting estimates and judgements incorporated into the financial statements.

g) Initial Adoption of AASB 15

The Footpath Library has applied AASB 15: Revenue from Contracts with Customers and AASB 1058: Income of Not-for-Profit Entities using the cumulative effective method of initially applying AASB 15 and AASB 1058 as an adjustment to the opening balance of equity at 1 January 2019. Therefore, the comparative information has not been restated and continues to be presented under AASB 118: Revenue and AASB 1004: Contributions.

The Footpath Library has elected to apply AASB 1058 retrospectively only to contracts that are not completed contracts at the date of initial application.

2) Property, Plant and Equipment

	2019	2018
Plant and Equipment		
At cost	28,000	28,000
Less accumulated depreciation	<u>(16,939)</u>	<u>(14,139)</u>
Net carrying amount	<u>11,061</u>	<u>13,861</u>

3) Contingencies

In the opinion of the directors, The Footpath Library did not have any contingencies at 31 December 2019 (31 December 2018: none)

4) Events after the reporting period

The Australian economy has been severely impacted by the effects of COVID-19 since March 2020. The Footpath Library has assessed the effects of the COVID-19 pandemic occurring subsequent to year end and has concluded that there will be no material impacts on The Footpath Library's operations or performance due to this subsequent event at the time of signing.

5) Registered Office and Principal Place of Business

The registered office of The Footpath Library is:

The Footpath Library
101 Bungan Head Road
Newport NSW 2106

The principal place of business is:

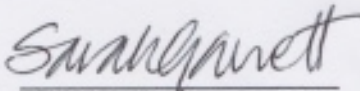

The Footpath Library
101 Bungan Head Road
Newport NSW 2106

Directors' declaration

In accordance with a resolution of the directors of The Footpath Library Ltd, the directors of the Company declare that, in the directors' opinion:

1. The financial statements and notes, as set out on pages 3 to 11, satisfy the requirements of the Australian Charities and Not-for-profits Commission Act 2012 and:
 - a. comply with Australian Accounting Standards applicable to the Entity; and
 - b. give a true and fair view of the financial position of the Company as at 31 December 2019 and of its performance for the year ended on that date.
2. There are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is signed in accordance with subsection 60.15(2) of the Australian Charities and Not-for-profits Commission Regulation 2013.
